Attached is an example of a variation that we had from [REDACTED] for security services. Seems to me that you will need to provide them with a few words along with costs.

Subject: [REDACTED] Security Plan additional services and cost for VO  
Hi [REDACTED],

Can you please send the cost for the additional security services needed for [REDACTED]  
[REDACTED]

A short description of the activity together with the cost is sufficient. Please only specify [REDACTED] additional cost, not the NIWA cost which is already included in the contract.

Even if the proposal has been verbally agreed with the [REDACTED] during the meetings I need to prepare the variation order (VO) and get approval from the asset owner otherwise we cannot commit to pay for any of this additional service.

If Nick Thompson is on holiday or too busy please ask somebody else to provide you with the cost so that we close this tomorrow, before I leave.

Thank you!
