Hi [REDACTED],

Many thanks for the update. We'll appraise everyone of the need for security during next week though it has already been the topic of some conversation. Just like to confirm where we are berthing. [REDACTED]

Subject: Update from HQ

Hi [REDACTED], [REDACTED]

Hope all well out there, sounds like the conditions are challenging! Who would have thought that in the [REDACTED]!

A lot happening at this end, here's the gist of it.

[REDACTED]. We have had a threat assessment done for this project and the potential for protest action while in port is deemed as being HIGH (the threat at sea LOW). There has been some escalation on the internet and social media around [REDACTED] and the client. On that basis we will be employing a heightened security protocol from arrival and for the entire stay alongside [REDACTED].

Plan is as follows;

[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]

[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED]

We have employed Thompson & Clark to give advice on security and they are helping refine the plan. Nick Thompson will attend on [REDACTED] morning to brief the guards and chat to you [REDACTED] and [REDACTED], and possibly the [REDACTED], on what the procedure will be in case of interference.

[REDACTED]

[REDACTED]  
[REDACTED]

Could you advise the crew to be extra vigilant during the week. If they see anything or anyone suspicious or out of the ordinary they should report it to the OOW

Lastly, I've attached the latest Voyage Schedule. It looks like we will have the ship alongside for [REDACTED] and [REDACTED]. We possibly will get 7-8 days work during that period but not holding my breath. The other change to point out is the [REDACTED] [REDACTED] day has moved from the [REDACTED] to the [REDACTED]. I'm working on next FY schedule now but pass on that the first [REDACTED] day will be [REDACTED]

Could you please pass on the relevant info to [REDACTED], thanks.

Any questions please ask. I won't be down until [REDACTED] so catch you sometime

Regards, [REDACTED]
