

Checklist of New Zealand Charophytes

Prepared by Mary de Winton and Michelle Casanova, June 2002

Phylum Chlorophyta or Charophyta

Class Charophyceae

Order Charales

Family Characeae

Genus Chara

Chara braunii Gm.

Chara corallina Kl. ex Willd., em. R.D.W. *

Chara fibrosa Ag. ex. Bruz., em. R.D.W.

Chara globularis Thuill.

Chara vulgaris L., em. R.D.W.

Genus Lamprothamnium

Lamprothamnium papulosum J. Gr. * **B**

Genus Nitella

Nitella aff. *cristata* A. Br., em. R.D.W. *

Nitella flexilis (L.) Ag., prox.

Nitella hookeri A. Br. *

Nitella tricellularis (Nordst.) Nordst in T.F.A., em. * †

Nitella hyalina (DC.) Ag.

**Nitella leptostachys* A. Br., em. R.D.W. *

Nitella pseudoflabellata A. Br.

Nitella subtilissima A. Br. *

Nitella stuartii A. Br.

Genus Tolypella

Tolypella nidifica (O. Müll) A. Br. em. R.D.W. **B**

Key

* Requires revision/confirmation

† endemic species

B brackish water species
